Tuesday 9 February CLUBNIGHT TALK

Andrew French is our guest speaker for this evening. Andrew is a field service engineer for Lotus Cars for whom he has worked for 8 years. In addition to this, he has a wealth of classic car knowledge which has taken him as far away as Tasmania where he was involved in the preparation of classic rally cars. He is also a member of the organising team for the Holbeach Vintage Rally.

This event will be held in the upstairs meeting room at Whaplode Manor Hotel, starting at 8pm. £2/head charge. Non-members welcome.

Editorial

It was a great start to the year to see such a good turnout for the January quiz. I think I counted 30 members and guests in total. Congratulations to Ian Stancer on showing us all how to do it, for a second year in a row, and well done to Jamie and Ed too for taking the team award – Jamie just pipping his Dad! Thanks also to Ivan Cunnington for organising.

I hope you will all be able to make it again this month when I am pleased to report we have Andrew French giving a talk on his experiences in all things motoring, from classic car preparation to his current employment with Lotus. Thanks to Steve Saunders for working behind the scenes to set this up.

The Committee is working hard to finalise a calendar for 2010. The MG Car Club have invited us to partake in their inter-Club quiz at the end of the month. Thanks also to the Jaguar Drivers Club, we have a talk by Warwick Banks to look forward to for our clubnight in March. We hope to secure visits to places of interest in April and June and we are looking to put on a run or two to give you some outings for your classics, starting with Drive it Day on 25th April. Don't forget also that our main Annual Classic Car Run is much earlier this year on Sunday 6th June.

This all adds up to a tremendous value for money for your membership, so please get your 2010 subscriptions in to Joy Mann as soon as possible now. There's a renewal form in with this newsletter despatch. See you on the 9th.
