## Tuesday 9 March CLUBNIGHT TALK

We are invited to this talk by **Jaguar Drivers' Club** at Whaplode Manor with an 8pm prompt start. **Warwick Banks** is their guest speaker. During a 40 year racing career, Warwick has driven a wide range of cars. He drove alongside Jackie Stewart in one of Ken Tyrrell's F3 Coopers back in 1964, and went on to win the European Touring Car Championship the same year in a works Mini. The following year he won his class in the British Saloon Car Championship again in a Mini Cooper S. After a break, he returned to racing in 1988 and has raced ever since, notably in MGBs. Last year, Warwick raced a Cooper Bristol and a Cooper S in the Heritage GT championship. *Small charge.*

## Editorial

Thanks to all who turned out to listen to the interesting talk given by Andrew French last month. Andrew is a field service engineer for Lotus Cars and he shared his experiences with us, together with some preparation of classic rally cars in Tasmania. He also gave an overview of the Holbeach Vintage Rally which he helps to organise in June (see Calendar). Thanks to Steve Saunders for organising this one.

The MG Car Club invited us to partake in their inter-Club quiz at the end of the month and I am delighted to report that the combined EEMC/SEECCC team came home with the trophy (see the *Romer* for more).

I hope you will all be able to make this month's talk where we are guests of the JDC to listen to Warwick Banks (see panel above) which will be well worth the trip I am sure. In April, Paul Pollard has kindly arranged a visit to the Spalding Power Station, courtesy of his employers – please contact him as soon as possible if you wish to secure one of the limited numbers of places available.

t last, after a lot of to-ing and fro-ing we have finally been able to place an order for some sail banners which should make us more visible at shows and events this summer, starting with Drive it Day on 25<sup>th</sup> April, when we will have a Run and a static display at Baytree Garden Centre at Weston.
