LAST MONTH FBHVC Drive It Day Run

Many thanks to those who supported the Drive it Day Run to Skegness.

The weather was not at its best but we had a good run over some interesting roads from the start at Birchgrove in Pinchbeck and, after some 50 miles of motoring, ended up at the RNLI station at Skegness. There we joined up with some cars from the Trent TR Register who had journeyed over from Blyth Services on the A1. **We raised £50 from the day's activities for the RNLI.** Thanks to Steve & Liz for doing all the organising and to everyone who came along to the start or took part in the Run itself. **AC**

For sale: Immaculate 1973 Triumph 2000 auto.
