LAST MONTH

Springfields Show, 5 May

Thanks to all who contributed to the Club stand at Springfields. The weather was good and the event was very well supported by exhibitors and visitors alike.

■ Eric Bellingham asked me to pass on his thanks to everyone who helped to fix his slightly sick Wolseley on the stand enabling him to make the journey home under his own steam - *Editor*

Anniversary Scatter & Baytree Display, 19 May

HAPPY BIRTHDAY TO US!

Five years.....and it's flown by! It doesn't seem that long ago that we were holding an inaugural toe in the water evening at Whaplode Manor, and now here we are with over one hundred members, many of whom are very active within the club, celebrating our fifth birthday.

A very successful day was enjoyed by all at Baytree Garden Centre, as always expertly organised by Steve Saunders and Liz Bollons, with Adrian Cunnington supplying the icing on the cake in the form of a superb Scatter Rally.

With over twenty keen participants champing at the bit to get going at the allotted hour, navigators were intently studying their maps trying to sort out a route between the 18 clue locations, spread out from Crowland in the south to Fosdyke in the north. To simplify matters a little, only 12 simple clues required an answer to confirm the location had been visited. We were also given the option of stopping at one of two manned check points throughout the afternoon to pick up an extra thirty points and three more clues.

Confused? Yes, we were, but it all fell into place and worked out extremely well, coming across fellow competitors at various points on the road or at clue locations in varying degrees of humour and in-car debate!

The checkpoints were only manned for twenty minute slots, one opening at 2.20pm, just south of Cowbit and the other at 3.20pm along the A17 near Fosdyke. However, more than one crew got the times the wrong way round, us included, arriving in Fosdyke at 2.20 leaving us even more confused and wondering why it wasn't manned!!

I'm not sure how far other crews travelled throughout the afternoon, but our dear old Moggy Traveller certainly earned its keep over the 81 miles we covered!

All in all a very pleasant, sunny and different way to spend a Sunday afternoon. So a huge thank you to Steve and Liz, Reinhardt, Nigel and team at Baytree, plus Adrian who clearly put in a lot of time and thought to organise a superb afternoon's entertainment.

Annual Classic Car Run, 2 June

Although this newsletter should have been out before it even took place – apologies for the delay – it would be remiss of me not to mention this fabulous event run in glorious sunshine by Alan Lyon and team last Sunday.

Ian Stancer

56 cars lined up at The Botolph Arms in Peterborough for the start and headed south to the Old Ferryboat Inn at Holywell, near St Ives for lunch before concluding the run to the National Trust's magnificent Wimpole Hall near Royston (as shown below in Ian Stancer's excellent panoramic photo)

Adrian Cunnington

Winner of Car of the Day was this excellent Jaguar E-type owned by John & Val Burningham.

Many thanks to everyone who supported the event but an especially big thank you to Alan for putting the event all together, ably assisted by Joy Mann and, on the day, by David Walker, Paul & Jean Pollard and Simon Leonard.
