FROM THE CHAIR

July has been a hectic month for me, so I am afraid it just a short and sweet *News* (and editorial) this time. Thanks to everyone who came along in what was less than pleasant weather for the July clubnight run from Spalding over to Frognall. The team at The Goat served all 42 of us well and we were also able to use the occasion to present our cheque for £1500 to the Sue Ryder Thorpe Hall Hospice appeal from the monies raised around the Alan Lyon Memorial Run and associated activities. This was an immensely credible effort from a small Club and thanks go to Joy & Nigel Mann and Barry & Liz Aistrup for all their efforts and to everyone who contributed to the amounts raised in whatever way. **AC**

WELCOME TO NEW MEMBERS Tim and Heather Wright from Gosberton Risegate

AUTUMN TRIP

Following up on last month's initial expression of interest, **Brian Patmore** has put a few more details together to come up with a possible itinerary for a West Country mini-tour this autumn.

He is looking for 6 to 10 cars to make the event viable.

If you are interested, please contact him at brian.j.patmore@googlemail.com

Many thanks.

AND FINALLY...

A travelling salesman was out on the road the other morning when his boss rang out of the blue and told him "You've been promoted". And with the surprise, he missed his turn off the motorway. The next day he rang up a second time and said "You've been promoted again". Shocked, he swerved sharply, just missing a lorry. Yesterday he rang the salesman up a third time and said, "Now... you're the Managing Director". He was so flabbergasted he drove into a tree. Then a policeman came up and asked, "What happened to you sir?" So he told him, "I've careered off the road..."
