Clubnight visit: KGF Classic Cars

Fellow club member Karl Fasulo has kindly invited us to an open evening at his business in Peterborough, **KGF Classic Cars**, for our October clubnight.

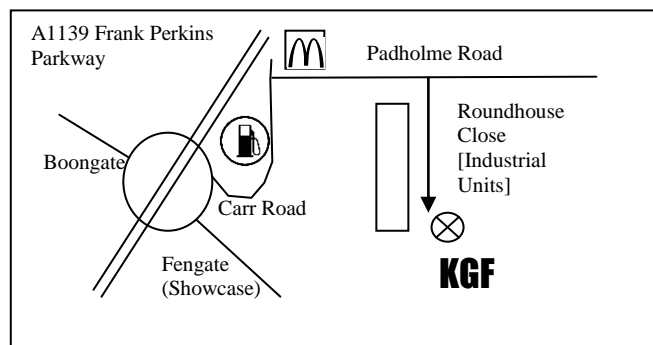

As some will know, Karl likes to have an interesting and varied selection of classic cars for sale at any one time, but, as I'm sure you will understand, his stock varies according to sales! But it's likely there will be several wonderful classics for us to peruse! Contrary to last month's *News* and given the lateness in the year, we have decided to ask everyone to **make your own way** (see map top right) to arrive by 7.15pm at:

KGF Classic Cars, Unit 6c, Fasulo Business Prk, Roundhouse Close, off Padholme Road, Peterborough PE1 5TA. Tel: 01733 425140

Visit www.kgfclassiccars.co.uk to gain some idea of what to expect! Please let **Nigel Mann** know (call 01775 723856 or email nmann@eemc.co.uk) if you plan to join us so we can advise Karl of approximate numbers. Thanks!

HELLO!

September was a bumper month for new member recruitment... Welcome to SEECCC to Roger and Gay Bright, John Choma, Anthony Grunwell, Cherry and Tony Hobson, Marcus Hosier, Rowland and Sheila Knighton, Mandy Reeve and David Sanderson.

LAST MONTH

Sunday 7 September: Moulton Park Show

Thanks to everyone who supported the club's stand at the Show on the day (pictured above) and to Steve Saunders and Paul Pollard for looking after arrangements. The brilliant weather was a bonus!

Tuesday 9 September Clubnight run to West Deeping

Thanks to Jean & Paul Pollard for this enjoyable run to the Red Lion at West Deeping where we enjoyed some excellent food. Congratulations to Jenny & Trevor Overson for winning another quiz, this time as we made our way along the 20 mile route.

Sunday 21 September 'Norfolk Trundle'

Once again Team Read came up trumps with a superb day out in the east with their annual, superbly organised as always, Norfolk Trundle.

Thirty five of us, including new members Roger and Gay Bright, plus Allan and Marion Beesley (welcome all!), assembled at the Timbers in Fincham for Sunday morning coffee and a bit of a natter before setting off on a leisurely drive through carefully selected rural Norfolk lanes to make up a pleasant thirty five mile route.

Along the way, John and Pauline had set a fairly straightforward quiz to be answered, with three or four

more challenging questions thrown in to sort out the men from the boys.

After a very convivial Sunday lunch at the Angel at Larling (close to Snetterton race circuit), John Read presented Nick and Cheryl Daubney the day's star prize for proving they were the real "men" by winning the quiz.

A huge thank you to John and Pauline for putting together another extremely enjoyable day out in Norfolk and, as a result, we will all look forward to Trundle 2015.

Would anyone fancy organising a Wolds Wheelie, Rutland Runout, Cambridgeshire Canter, or?..... well, you decide!!

Nigel Mann

A reminder that we're looking for new Committee members for 2015 to assist with the organisation of an ever-increasing event load for our expanding membership, now closing in on 140. If you can help, please speak to Adrian Cunnington, Joy Mann or any Committee member or come along to the AGM on 9 Dec.

Congratulations to Alan & Jackie Aistrup who won themselves this classic '67 VW Beetle (right) in a competition recently!
