KGF Classic Cars visit

Responding to a very kind invitation, almost thirty members ventured south to the inner sanctum of

Peterborough on 14 October to experience the motoring delights at KGF Classic Cars.

KGF Classic Cars visit / continued

Karl Fasulo (Mr KGF himself!) had invited us to hold a social evening in his showroom to view his latest offerings and share some freshly produced pizzas, washed down with Peroni (for the non-drivers amongst us), or soft drinks for the others.

His latest addition took pride of place, an absolutely immaculately presented and superbly restored Ford Anglia 105E Deluxe that would bear any inspection, which Dave Walker certainly carried out to its underside (below)!

Selling very rapidly after our visit was an equally well restored VW Campervan that simply oozed quality. A couple of VW Beetles attracted quite a lot of attention, one of which was a rare Last Edition model. Numerous other classics of similar immaculate presentation kept us interested, with considerable 'ohing' and 'aahing' late into the evening!

So, once again, a huge thank you to Karl and

Operations Manager Steve for putting up with us poking around their cherished stock and making us welcome in the showroom.

For KGF's latest stock, go to www.kgfclassiccars.co.uk and no, I'm not on commission!!

Nigel Mann

Thanks also to Nigel for organising this visit for the Club - AC

Club regalia

The Club has a great range of leisurewear available including fleeces, polo shirts and this new, high quality embroidered sweatshirt, recently added to the range, priced at £20. What better Christmas gift?

Car stickers are also available to fill the gap left where your tax disc used to go...

Contact Joy Mann on 01775 723856 for full details.

AND FINALLY...

A reminder of the type of chaos reigning in Spalding of late with so many road and level crossing closures...
