This month

Sunday 05 December CHRISTMAS LUNCH

This year's **Club Christmas Lunch** will be held at the **Fox & Hounds** public house at **Old Somerby**, near Grantham, NG33 4AB at 1pm. You should have booked your place by now. Joy Mann can remind you of your choices if you have forgotten.

There will be an informal Run to the venue from Spalding, which Ian Pollard is kindly arranging, starting from the Market Place (postcode: PE11 1SS) at 11.30am.

Wednesday 08 December East Elloe Motor Club Limited ANNUAL GENERAL MEETING

Come and have your say! 8pm start at Whaplode Manor Hotel, Saracens Head. See *The Romer* for full information.

Tuesday 14 December

NO CLUBNIGHT see page 2 for 2011 dates

Philip Thorpe

It is with great regret that we have to inform you of the recent death of Phil, after a short illness. He was an enthusiast who, with wife Rosemary, supported many Club events and some much further afield as seen here. He will be sadly missed.

CLUB OPEN EVENING: 23rd November

Many thanks to everyone who contributed to a successful Club open evening, kindly hosted by EMG, Hyundai main dealers, in Spalding.

The main feature was a demonstration of car care products by Autoglym. Paul and Wayne from the aforementioned gave us all the guidance we could need on the use of clay and the application of polish, high definition wax and much more besides. And they sold us some afterwards, of course.

Nigel Mann kindly volunteered his already immaculate BMW M3 Evo for the Autoglym treatment and ended up with a high gloss quartile on his roof plus 'before' and 'after' treatment halves on his bonnet. He even got Phil Tucker to do the hard work (below)! Still, I imagine you had a busy weekend plying the Beemer with their wares to get it all looking the same again, Nigel...

Many thanks to everyone for contributing to our raffle in aid of BBC Children in Need which raised a very worthwhile £151.

Thanks also to Nigel & Joy for doing all the leg work in organising the evening, Paul & Wayne at Autoglym and to Paul and Bill at EMG for the use of their showroom.
