Spalding & East Elloe Classic Car Club is a club for all classic car enthusiasts, based around Spalding and Holbeach in south Lincolnshire. We have in excess of 150 members from as far afield as Cambridgeshire, Norfolk and Rutland. The club is a specialist section of **East Elloe Motor Club**, a long-established motor sports club in the area.

If you own, or are interested in, classic cars – of any make or type – why not join us? Don't worry if your classic is not a performance machine or in tip-top condition, it's a club that tries to appeal to owners of all standards of car of whatever type, from concours to original and from the exotic to just interesting — and we're not too fussy about its age either!

Members enjoy a varied calendar of events, from visits, shows and talks to weekend or evening drives and socials. Our regular club night is on the **second Tuesday of each month**. We also meet on the **fourth Tuesday** too across the summer. Major highlights include **Drive It Day** held in April and our **Annual Classic Car Run** held every June, which always attract a good entry.

You can visit our website at www.seecc.co.uk or Facebook page to see up to date details of our current programme. There's a lot to choose from in 2019. Do feel free to get in touch with us: contact details are listed on the back of this leaflet. Or, if you wish, you're welcome to come along to a meeting or two to 'try before you buy', so we hope to see you at one of our events soon...

Also, if you know other owners of classics who have yet to hear about the club, please pass these details on to your friends. Thank you!
