Chair's Chatter

Well this is it! My last *Chair's Chatter* for the foreseeable... Last month we had an enjoyable meal at the Thatched Cottage at Sutterton, kindly organised by Steve Le-Sage and Joy Mann. Thanks to all who supported the evening.

It's last call for our Christmas Lunch at Toft on 16th December. Please book with and pay Joy in advance. Before that, please remember our AGM is on 4th December at Cley Hall: a full agenda appears elsewhere but we would really like to see you there to have your say in the running of your Club. Please let Joy know if you are coming to allow us to cater. Don't forget it's never too late to put your name forward to join our Committee who have been busy compiling a jam-packed calendar of events for SEECC in 2019 (see page 3).

Finally, I'd like to thank you all for your enthusiasm and kindness in supporting our activities since the Club was established in 2008. I have thoroughly enjoyed being your Co-ordinator and later Chairman for the last 10½ years but, as I said at last year's AGM, ten years for the same person to be in post is too long and it is well overdue for someone else to take the reins. If you will have me, I still intend to play my part on the Club's Committee but, for now, I will hand on the baton to my successor at the AGM. I trust they will receive the same level of fantastic support as I have enjoyed. And, finally finally, I hope you all have a great Christmas!

LETTER TO THE EDITOR

Hello,

We just wanted to write as new members to the Club this year (and new to the classic car 'scene') to say how much we both have enjoyed the events/ meets we have attended through the year.

Joining wasn't without a bit of apprehension; our motor is far from concours and never will be as that's not really our style. Would we fit in? Our other concern was: Will it be cliquy? — but we have never found either of these to be the case.

Despite not being available to attend the majority of regular meets on offer we've had a friendly welcome at each one we have come along to and enjoyed all of them.

Throughout the summer we could have been out every weekend and several evenings, the only effort required from us is to email a reply and turn up.

So thanks for the hard work all of you put in - those on the Committee and those who aren't - to offer such a full and varied calendar of events. Having been involved in organising events for motorcyclists, it is an absolute joy to not have to do anything other than turn up — fantastic! 😊

We may not make it along to anything else before the year is out but we will certainly be retaining the Dyane and renewing our membership for 2019. Merry Christmas and thank you.

Kindest regards,

Josie & Jon Saunders
