ANY MEMBERS INTERESTED IN GOLF?

Chatting to people at various club events, there appears to be quite a few members who enjoy a round of golf.

I am one, but generally play for others' amusement! Over the winter I have been enjoying the facilities at Peterborough Virtual Golf and have even joined their winter league, but have been well and truly beaten in most rounds!

Anyway, it crossed my mind that there could be some interest in organising an evening for a friendly amongst Club members. When I first heard about the centre I dismissed the

idea, as I preferred the real thing, but it is remarkably accurate. You play with your own clubs, a proper golf ball, don't get cold and wet, haven't got to walk far and you don't spend hours (as I would do!) searching for your ball.

The format hasn't been decided as yet. This is simply to gauge interest, so please let me know if you fancy the idea in principle and I'll look into it for next Autumn/Winter.
