Clubnight: Classic car meet

Our July clubnight is not on the usual second Tuesday. Instead we are planning to meet up at **The Blue Bell** in **Whaplode St Catherine** (postcode PE12 6SN, on the B1165 Spalding – Wisbech road) as part of their new monthly classics gathering held on the first Wednesday of each month. Meet from 6.30 pm.

Several members attended the first meeting in May and reported a good turnout of cars so we thought it would be nice to give them some local support from our Club. Food will be available in the pub. No need to book.

LAST MONTH

Springfields Show

Thanks to everyone who came along to this event and supported our stand on 4 May. We had an excellent turnout of 16 cars and some good weather too.

May Anniversary Run

Our 2014 Anniversary Run was a huge success thanks to the excellent support over forty of you gave the event. This was despite some disappointing weather which meant that several members decided to leave their classics at home. Nevertheless, a brave few ventured out in their cherished wheels to take in the 28 mile route from Spalding to Abbey Parks Farm Shop at East Heckington. Thanks to Anthony, Ros and their team at Abbey Parks for looking after us with some excellent food and to everyone who came out for the evening.

CLUB REGALIA

Our esteemed Secretary has asked me to remind you that we have an excellent range of club regalia for you to buy. Ideal for this time of year are the Club polo shirts embroidered with the Club's name and available from stock in navy, grey or white at just **£10 each**. Alternatively, you can have your own choice of colour with the logo added as a special order.

We also have a number of fleeces, also embroidered with the Club logo, still available in either navy or black at **£20 each**. These are the last of our original batch and we have already been informed that our new order in the autumn will have to be at the higher price of £25. So grab yourself a bargain, while stocks last, now!

Contact **Joy Mann** at any event or call her on 01775 723856.

James Hull, 53, who founded a chain of cosmetic dentists, now owns more than 450 exotic and classic cars, ranging from multi-million pound rare Jaguars to Winston Churchill's Austin, and a Bentley once owned by Elton John.

With no room to park them all near his home in London, he garaged them in huge warehouses in Herefordshire, but has now decided to sell up for health reasons. Here's a glimpse of just a few...
