Ivan Cunnington

Many of you will already be aware but it is with deep sadness we report the death of Ivan - a Club member since the early days of East Elloe Motor Club back in the 1970s - after a short fight against pancreatic cancer, aged 82. His funeral was held on 20th June. He will be missed greatly.

FROM THE CHAIR

June has been a really busy month for the Club but, sadly a very difficult one for me, following the death of my Dad on 4th June. Dad had cars and motoring in his veins and really enjoyed an outing to share motoring experiences as we look to do in this Club all the time. My family and I would simply like to thank everyone for their kind support over the past few weeks. It has been greatly appreciated.

In the last month, SEECC has held a plethora of events including our Annual Classic Car Run, which was very well supported by over 50 cars and took us from Baytree Garden Centre at Weston to Deene Park near Corby. Our lunch halt was at Barnsdale Hall on the edge of Rutland Water. Many thanks to Barry & Liz Aistrup and everyone who helped to make the event a great success. Well done to Nigel Baker and Alan Aistrup who took the plaudits (*see page 2*)

The weather did its best to upset us all in the middle of the month but the shows at Holbeach and Bourne still took place, despite having to work around the wet conditions. In the case of Bourne, we ended up on the street with our stand outside the Post Office, complete with cashpoint (*left and overleaf*)!

We had a good first clubnight 'noggin and natter' at The Ship in Pinchbeck on Tuesday 21st, whilst several members journeyed out to Norfolk the following Sunday to ride on the North Norfolk Railway up to Sheringham, an experience made available to us through the hard work of Neil and Pamela Williams. Thank you to them and to everyone who supported these events.

One other major event of note this month: the retirement of Nigel & Joy Mann has seen the closure of Mann & Son mens' outfitters in Spalding after over 100 years of trading. We wish them well in their retirement.

For July, we are hoping the sun shines for our clubnight run on Tuesday 12th for which John & Hilary Sidebottom are taking charge (please book before 8th July) and on Sunday 17th, Tom Webster and John Chamberlain are running their Steeplechase event from Waterside Garden Centre near Bourne out to Old Somerby for lunch. Entries for this are also now being taken and they would greatly appreciate your support. Finally, we will be returning to The Ship on July 26th for our second clubnight this month. We hope to see you soon!
