FORTHCOMING EVENTS

Tuesday 8 October

Clubnight: Peterborough Virtual Golf

See panel opposite. A fun evening with a non-motoring theme for golfers [and non-golfers] of all abilities. Equipment provided. Nigel has again very kindly done the organising - call 01775 723856 to book or if you'd just like to know more.

Tuesday 29 October

Clubnight: Pub night Royal Mail Cart, Spalding

Paul & Jean Pollard have kindly organised this evening at the Royal Mail Cart in Pinchbeck Road. Food will be available. Full details are being finalised at the time of writing so these will be put on to the website as soon as they are available and emailed separately in a few days' time.

EXTRA DATE!

Tuesday 12 November

Clubnight demonstration by More than Polish at Taylors Vauxhall of Spalding

Kindly hosted by Taylors, at their Pinchbeck Road premises in Spalding, this evening will feature a demonstration by car care specialist Mark Wibberley from **More than Polish** of Barnack. Full details in next month's but look out for them on the website before then.

Sunday 8 December

Christmas lunch at the Red Lion, Bicker

Our annual gathering of festive celebration. Full details to follow from Joy very shortly. Please keep the date free!

Peterborough Virtual Golf evening

Fancy playing St Andrew's Golf Course? Well, at this month's clubnight you can achieve that! Even if you've never swung a golf club in your life, or if you are a scratch player, our evening on **8th October** is for you!! We have booked the centre purely for SEECCC from 7pm and all abilities will be catered for.

You can either bring your own clubs, shoes etc, or they have clubs you can use, including ladies, left handed etc, but your own trainers or grippy-sole shoes would be a good idea!

There will be a basic charge of £20, which includes your first drink. If you would like something more substantial, they can make you some food to order, like filled baguettes etc, which will be charged extra. The food options are detailed on their website, address below.

For the golfers there will be a very low-key competition (handicaps taken into account!) with an even lower key prize for the winner. There is a choice of top courses that can be played, including St Andrews, so see if you can drive your golf ball over the restaurant on the 17th!

For non-golfers there will be a degree of tuition so you can have a go on the driving range, then perhaps a low-key competition on a par 3 course. You can decide on the night.

Peterborough Virtual Golf is at Funthams Lane, Whittlesey, PE7 2PA (01733 202604). As I'm sure you will appreciate, space is limited, so please pre-book with me on 01775 723856 so we know numbers. Thanks.

LAST MONTH'S CLUBNIGHT

Rustbusters

Thanks to all those who came along to **Rustbusters** at Deeping St Nicholas (*pictured left*).

Ian & Tom at Rustbusters gave us a run through of the processes they use with Nigel Mann very kindly not only organizing the evening but also arranging for his Morris Minor van to have the Rustbusters treatment to coincide with our visit.

GOOD NEWS & BAD NEWS!

Good News: 8th September 2013, Knights Hill Hotel, Kings Lynn saw the meeting of classic cars, with participants relaxing on a sunny Sunday morning, chatting over a cup of coffee and biscuits, eagerly awaiting John & Pauline Read's route instructions and quiz questions to be answered en route to Sculthorpe Mill for a leisurely Sunday lunch.

After a convivial and relaxing hour or so, plus another coffee or two, the assembled teams were released onto Team Read's Norfolk Trundle to cover the thirty five mile drive in late summer sunshine.

John and Pauline had found a glorious rural route, taking in some picturesque Norfolk villages complete with a fairly straightforward quiz to be answered, with a couple of stingers thrown in to sort out the men from the boys. Clearly Liz and Barry Aistrup proved they were the men (!) by taking overall honours, plaudits and booty.

Bad News (but only for John & Pauline): If this event is an example of their organising skills, we would imagine they will be invited to arrange another Trundle next year, or perhaps every event on the Club's calendar!

Many thanks once again from all participants.

Sunday 17 November: Christmas lights 'switch on' in Spalding

The Committee are looking at the feasibility of a Club stand/display [probably combined with a light lunch] in the town to coincide with this event. A 'controlled' display area has been designated by the event organisers in the Sheep Market for classic cars and SEECCC has first refusal.

If you would be interested in attending and bringing your car along, please let Adrian Cunnington or Joy Mann know asap so we know how many spaces to ask for.

Call Adrian on 01775 761520 or Joy on 723856.
