CHAIR-MANN'S CHATTER

March has absolutely raced by and my thanks must go to fellow member, Malcolm Kenwood, for his very interesting talk on BRM. £93 was raised for his chosen charity, Breast Cancer Now. I must also acknowledge the Cunningtons' Sunday Brunch meet at The White Horse in Baston. More than 20 members sat down to a delicious (and very sociable) breakfast. As always, a real treat.

I would also like to thank all those members who have renewed their subscription to SEECCC, we are very grateful for the continued support and I promise this is the absolute last time I will talk about subscriptions being due.....well, for this year anyway!

FOR SALE

Porsche Boxster Tiptronic 2005, one of the first updated 987 models, with an impressive full Official Porsche Centre and Porsche Independent service history, with one lady owner from new.

Having done 105k miles, it looks and drives as if it has only done 25k miles. "Permagard" paint protection treatment when new has clearly done its job as the paint finish still retains an impressive deep gloss. Flew through a recent MoT test with no advisories. Looking for around £8750. Please give me a call if of interest. Nigel Mann 07850 749090
