## CHAIR-MANN'S CHATTER

Joy Mann

[jmann@seeccc.co.uk](mailto:jmann@seeccc.co.uk)

We've had an 'a-May-zing' few weeks and it's been heart-warming to see lots of SEECCC members and their classics out and about. Charles and Celine Cornish kick-started our evening supper runs with a very scenic drive to Newton, thank you both! Nigel and I thoroughly enjoyed the recent Peak District jolly, more details in this newsletter and a few of us braved the gathering grey clouds and managed to dodge the spots at The Mermaid meet-up last Tuesday.

I am filled with enthusiasm for the forthcoming shows, thanks to all those who've already expressed their interest in supporting the SEECCC stand. Also, we are very much looking forward to catching up with everyone on our big day out on Sunday, June 9th. "Team Aistrup", organisers Barry and Liz, have an impressive line-up with 70+ cars already booked in. Thank you to one and all!

Joy

## SPRING TRIP

**SEEECC's Spring Trip was held in May and once again Team Overson came up trumps, this year venturing into the glorious Peak District.**

Trevor and Jenny had not only found perfect accommodation in the shape of the Losehill House Hotel close to Hope village, which offered 24 club members evening private dining plus breakfast in the conservatory overlooking beautiful scenery, but also idyllic weather over our four day trip.

Having met up at the National Trust's Longshaw Estate, south of Sheffield, we converged on the hotel for afternoon tea in the conservatory. This was duly followed later by dinner and a motoring quiz in our exclusive dining room.

Wednesday saw the cars heading over the Snake Pass with its breathtaking views, via the Ladybower Reservoir, to the Carding Shed in Holmfirth which offered excellent refreshments, plus some classic cars and motorcycles to view in a very pleasant environment. Various alternative routes back to the hotel were chosen, taking in the delights and various viewpoints on the way.

Thursday found cars heading west over Winnats Pass, via the Blue John Cavern near Castleton, to Whaley Bridge. Here we stopped off at The School Garage to view a very comprehensive, cosmopolitan and eclectic collection of classic cars for sale. Well worth a look at their website at [classiccarshop.co.uk](http://classiccarshop.co.uk).

The afternoon found us experiencing the delights of Judith Mary 2! The JM2 is a 72 foot long canal restaurant boat based in Whaley Bridge which has been running for 36 years offering afternoon teas and trips along the Upper Peak Forest canal. The Judith Mary team kept us entertained plus extremely well fed and watered for a couple of hours.

Friday was sadly time to pack our bags, say our cheerios and depart for home having thoroughly enjoyed Trevor and Jenny's fifth club sortie. It has been rumoured that it could well have been their final trip, but the general consensus was that hopefully they will change their minds ready for 2020.

Let's hope they do!

PS Many thanks to Ray Davies for the photos.

## BASTON SHOW: MINIS SOUGHT!

As mentioned last month, we have a stand for the club organised at the Baston Show on **Sunday 7<sup>th</sup> July**.

The event this year will be held at a new venue at **Grimsthorpe Castle** (PE10 0ND for sat nav). As a result, there is more space and, in the last few days, we have been able to negotiate an increase in our stand size, so we have a few more places available.

If you would like to join us, please let Nigel Mann know before 12<sup>th</sup> June. He will need your car details: Manufacturer, Model, Year, Registration Number etc. You will need to be there by 09.30!

Of particular interest to the organisers is the 60th Anniversary of the launch of the Mini. They are hoping to have a vehicle from each year displayed in the courtyard at the front of the Castle. At the last count, they were just 19 short of completing 'the set' with the early years up to and including 1963 still to find. Can you help?

Take a look at the website at [bastoncarshow.com](http://bastoncarshow.com)

## CAPTION COMPETITION

Graham Faulkner captured this shot whilst Sid's owners Ian & Vicky were at the recent Mermaid noggin and natter! If you have any suggestions for an amusing (but preferably clean!) caption, please send them to [seeccc@btinternet.com](mailto:seeccc@btinternet.com) by 26 June.
