Hello Everyone!

Wow!! What a whirlwind of a month! June has disappeared in a flash and it's only 170 days to Christmas! Big thanks go to all the organisers of June's events and to all the members who supported us. Thanks also to all those who've renewed their memberships, we are absolutely delighted to have so many back on board.

Alan and Jackie Aistrup pulled all the stops out for their 2024 annual run with more than 60 cars entered and even managed to conjure up some brilliant weather. They have myriad pics available if anyone would like them but these should have been winging their way to your inbox already, please do shout if you've missed out. Generous donations for our 2024 charity, PHAB in Spalding, dropped into the coffers and we are aiming to present a cheque later in the summer. Watch this space!

Talking of PHAB, a handful of us ended up partying the afternoon away with PHAB's members celebrating the group's 40th birthday. We all went home completely stuffed having enjoyed delicious pork rolls AND cake AND ice cream, courtesy of our hosts, having cheekily failed to confess we'd already eaten out in the morning on Steve Le Sage's brunch meet in Heckington.

Around 30 of us gathered on June 30th for a very impressive club stand at Baston Show held at Grimsthorpe (That's twice in 3 weeks we've enjoyed that wonderful setting) Not so impressive was all the hoo hah before hand – especially the bit where we were instructed to arrive in convoy before 8.30 am.

Graham Faulkner, our trusty organiser, arranged for all of us to rendezvous in Bourne's Tesco car park ready to depart at 8.00 am!! It worked like magic, well, apart from the four people who decided Bourne's M&S was preferable! Situation soon resolved, we proudly set off in a very handsome convoy to wow Grimsthorpe. Do bear in mind here that two of our members had already driven by Grimsthorpe to come to Tesco, so you can tell we were taking the instructions quite seriously. It worked like a dream... until we got to the gates at Grimsthorpe, where half of us were marshalled off in a different direction. What a farce! Having said all this, the day was superb, the camaraderie infectious, aided beautifully by "BakerWells" scones and a lovely opportunity to catch up with many familiar faces and collect a few more subs! Sadly, unless Live Promotions have a bit of a re-think about entry fees, I suspect that was most probably our last club display for Baston Classic Car Show. Such a shame.

Back to the subject of food, quelle surprise... we do have some events coming up which involve a bit of motoring too! We need to take advantage of the better

weather and take to the roads. Join us on Adrian and Caroline Cunnington's evening run finishing at The Thatched Cottage in Sutterton and, later in the month, Nigel and I will be hosting the Bulwick Bacon Bap Run on Sunday 28th July (other delicious options are available!)

August is busy, busy, busy and sees us doing something completely different courtesy of Colin and Karen Langwade (see Forthcoming Events) on Sunday 4th August and then we're all off to sample the delights at South Kyme Golf Club with Paul and Jean Pollard on Tuesday 20th, again all the info you need is in this news. If you fancy an SEECCC fix in between these events you'll find us at Boston Show, on Sunday 11th August, where we have another super-duper line-up planned.

Wherever we catch up next, I look forward to seeing you out and about very soon. If you have any ideas for SEECCC events please do let me know, we're always open to suggestions. Email me, jmann@seeccc.co.uk and thanks again for your continued support.

Joy

P.S. Talking of something a bit different, make sure you have the Burghley House Spooky Tour in your diary for Tuesday, October 29th – I'll be emailing soon with all the details. We've just 30 tickets so it's definitely first come, first served!

P.P.S. No names, no pack-drill, as they say, but thank you to the member renewing their subs who sent me the following note!

Dear Mrs Mann,

Please find enclosed my cheque for £15 as payment for this year's membership. I apologise for the extra work that have imposed on you but my understanding of modern banking methods is so puerile that I am convinced that revealing my bank details is going to endanger my meagre savings to the machinations of an overweight, sweaty, fan-wielding crook in the back streets of some far-flung city.

If you are wondering how such obvious incompetence still allows me to facilitate the word-processing abilities of the computer, I should explain that, back in 1954, I was obliged (reluctantly) to join the Royal Air Force as part of my national service. For some unexplained reason, they declined my offer to be a fighter pilot and decided that the developing Russian menace would be best countered if I was trained to be a typist. The rest, as they say, is history.
